

## HE'S ALL RIGHT.

Hon. Sam P. Hurst, of Clarksdale, Miss., was in the city this week on a visit to his family, who are at the home of his mother-in-law. Mrs. Hurst is somewhat indisposed. Mr. Hurst is, without doubt, the ideal leader of the young Republicans of this State as well as a power in the old

school. His legion of friends here in Jackson are always glad to see him. His unstained record in the services of the past, his unquestioned ability to cope with any of the political leaders of the State, easily commend him to the best graces of the younger element of the party, who demand such fitness for leadership as he possesses. —Jackson, (Miss.,) *Republican*.

## THE EDUCATION OF BOYS.

In *The Delineator* for November Mrs. Theodore W. Birney has a suggestive paper on the Education of Boys as Future Fathers and Citizens. The gist of her argument is that boys seldom receive the sympathy to which they are entitled—not a maudlin, sentimental sympathy that is calculated to spoil the child, but an intelligent comprehension of his needs and an interest in his doings and belongings. Her conclusion is that if parents will only take a genuine interest in all things that interest their boys, they can hold their confidence, and so long as they possess that they can be reasonably sure that their sons will not go far wrong. Parents are wont to look on the problems of youth with eyes of an adult. How much good would result to many little fellows if their parents would come down to their viewpoint or come up perhaps, recognizing the limitations of their inexperience and judging their deeds and misdeeds in the light of it. The rule of the rod is past, and inasmuch as the new order of things has brought much happiness into the lives of the little ones, so will a better understanding of the boy nature on the part of parents benefit them immensely.

## AT BIG BETHEL.

Three Powerful Sermon's in one Day.—All Forces Working in Harmony.—Dr. Scott's Popularity and Good Work.

That rain never interferes with the intensely interested people was shown by the splendid audiences at the three services held in Metropolitan church, Sunday, October 11. Seldom do we have three services in which all the sermons are so broad, so deep, so impressive. Dr. W. H. Brooks was at his best. Dr. Gordon, President of Howard University, made many friends for his ideas on "Thought."

Dr. Scott will continue his series of sermons on "Facts."

The Christian Endeavor Society is doing excellent work. Their services are above the average and, to know how much they are appreciated one needs only attend the 6 o'clock meetings, held each Sabbath evening, in the lecture room. More than one Amen and Hallelujah was heard when it was known that \$1,300 had been raised at the Sunday Rally, Sunday, October 18th. All who failed to respond will have an opportunity of doing just what the church has worked and prayed for during the last three months, \$2,000. Do you love the Sunday School? Be in your places at 9.30 a. m., and spend an hour with the children.

The Woman's Day promises a surprise in a days for the Stewardesses. The meeting for the fourth Sunday will be addressed by Miss Emma Merritt. Solo by Miss Kennerly, who possesses a rich, sweet soprano voice. The Star Concert from a musical standpoint, was a grand success. As many students are anxious to be benefited by the hours study in Dr. Scott's Bible class, it is possible the time may be changed to Thursday night, 7 to 8.

Be in your places at 10.55 if you would fully enjoy the procession from the altar to the choir. The members appear to an advantage in their vestments. Their singing was grand; with Prof. Layton in the lead we only look for high class music.

Mrs. Dr. Harris will read a paper, "Hygiene" before Woman's Day, 4th Sunday in October, 4 p. m.

Mr. J. R. Dent, who was to give a dinner at Lakeview Park, has postponed it until October 29.

Mr. J. H. Fletcher, of Boston, Mass., is visiting in this city, the guest of his brother-in-law, Mr. E. C. Allen, of the Southern Hotel.

The Smart Set Company, which played at the Empire Theatre last week, is playing to crowded houses in Atlantic City last week.
